means a tattered shirt very soon. Half-dozen shirts is as
few as the average wardrobe can do with—no excuse for
fewer shirts—not even the price. Our own make of 50c and

fit too.

"King Henry IV."

Mr. Hannibal Williams gave a recital
at the Y. M. C. A. hall last evening of
"King Henry IV." A good audience
was interested throughout, and he
deepened the good impression made on
a former visit to the city.

Prospective New Citizens.

J. G. Luckel, a native of Germany,
and Augustus Wolf, also a native of
Germany, yesterday declared their in-
tention in the circuit court clerk's office
to become citizens of the United States,
and received their first papers.

Sixth Anniversary.

Eureka Lodge No. 3, Shield of Honor,
will give a dramatic entertainment on
the South Side next Thursday evening,
in celebration of the sixth anniversary
of the organization of the lodge. The
entertainment will begin in Tontonia
hall, and is expected to be a successful
affair.

Locomotive Jumps the Track.

Yesterday afternoon the large dinky
engine of the Riverside company
jumped the track of that company op-
posite the Harmony House, in Upper
Beechwood, and went down an embank-
ment, but happily did not turn over or
injure any of the crew. The engine had
not been replaced on the track last
evening.

Another Mock Trial.

Upchurch Lodge No. 20, A. O. U. W.,
will hold another mock trial next
Wednesday evening at the new hall.
Attorney Sam O. Boyce, who was attorney
for John Loftus, in the recent trial,
is accused of being disrespectful to the
court, Howard Atkinson, and will be
tried for the offense.

Death of Mrs. Henrietta M. Dodson.

A telegram was received here yester-
day morning announcing the death at
Bethlehem, Pa., of Mrs. Henrietta M.
Dodson, widow of the late Adams Dod-
son, who was well known to the older
residents of Wheeling. Mrs. Dodson
was a sister of the late B. M. Eoff, and
also of Mrs. John P. Gilchrist. Mr. and
Mrs. Gilchrist left yesterday afternoon
for Bethlehem to attend the funeral.

He Got off too Lightly.

Joseph Murray's was the only case in
the police court yesterday. He was ac-
cused of most grossly insulting a young
lady, a passenger on a B. & O. train,
while the coach was in the station here.
The details were shocking, and the oc-
currence moved the other passengers to
a desire to throw Murray into the creek.
He got off with a fine of \$10 and costs,
and not having the cash he only got
thirty days on the hill. There was talk
yesterday of the B. & O. people making
a state case when he finishes this light
sentence.

A Doctor said to be Dying.

Dr. John L. Hobensack, a prominent
physician of Martin's Ferry, is not ex-
pected to live. After eating his dinner
yesterday he was suddenly stricken
down with Bright's disease, for the second
time. Drs. B. O. Williams and J.
M. Blackford were summoned. They
pronounced his condition critical and
all of the family was called to his bed-
side.Dr. Hobensack was attacked with this
disease last summer, and it was then
thought that he would not recover.
Since that time he has been an invalid
and seemed to be growing worse steadily.

For Robbing the Baltimore & Ohio Cars.

Scott Laville, Harry Shepherd, Amos
McMillen and William Criminel, are all
in the lockup at Bellaire, charged with
breaking into railroad cars. The case
against them was worked up by de-
tective John Short, of Wheeling, who
went down and with Marshal Bayha
and Officer Strobel run the boys all in.
Some of them have tasted the bitter
fruits of such offenses before, two of
them having done time in the peniten-
tiary, and yet they are all quite young,
under twenty years of age. Their cases
have not been heard yet.

Better Train Service.

The Steubenville Star has the follow-
ing: Mr. James M. Hall, the efficient
general passenger agent of the Wheel-
ing & Lake Erie railroad, was in the
city yesterday and called on the Star.
In speaking of the present unsatisfac-
tory passenger service from this city to
western points and Wheeling, which
has raised such a storm of indignation
among the traveling public at Steuben-
ville, Mr. Hall said he hoped the Wheel-
ing & Lake Erie would restore the pas-
senger trains, or at least arrange for
two round trips a day to Wheeling, so
that the public would be better pleased
with the service, and promised to do all
in his power to bring about such a re-
sult. He thought the company, in
view of the present feeling existing
here, would rearrange the passenger
service from Steubenville in order to
better please the public. The proba-
bilities are that such changes as may
be satisfactory to all concerned will be
made shortly.The confidence that people have in

WITH THE JURY.

The Fate of James Bachmann Hangs in
the Balance Yet.Yesterday morning the session of the
criminal court was consumed by Capt.
Dovener with his argument in defense
of James Bachmann, on trial for abor-
tion. In the afternoon Prosecuting At-
torney Howard concluded the argument
for the prosecution, and the instruc-
tions were given the jury, which re-
quired a few minutes before twelve to
consider the case. About 6, no verdict
having been reached, the jury was ad-
